Description:

The Cooling Arm Sleeves are designed for ultimate comfort, UV protection, and cooling performance. Crafted from luxurious Ice Silk fabric, they provide a silky-smooth feel against the skin while ensuring superior breathability. Ideal for outdoor activities, sports, and daily wear, these sleeves protect your arms from harmful UV rays and keep you cool even in hot conditions.

Features:

- ★Cooling Effect – Ice Silk fabric keeps your skin cool and dry.
- ★UV Protection (UPF ≥ 50) – Shields against harmful sun exposure.
- ★Breathable & Lightweight – Ensures maximum comfort in hot weather.
- ★Stretchable & Comfortable – Fits snugly without restricting movement.
- ★Versatile Use – Ideal for sports, outdoor work, driving, cycling, and running.
- ★Moisture-Wicking – Keeps sweat away for all-day freshness.

Applications:

- ★Cycling & Running
- ★Golf, Tennis & Outdoor Sports
- ★Driving & Daily Commute
- ★Outdoor Work & Sun Protection
- ★Beach, Hiking, Camping
