Description:

The Manager’s Denim Long Coat with Neck Cover is a premium protective garment designed for industrial and workshop use. Made from high-quality denim, it offers durability, comfort, and reliable protection. The extended length and integrated neck cover ensure enhanced safety against sparks, dirt, and light contact hazards, while providing a professional appearance for supervisors and managers.

Features:

- ★Durable Denim Fabric – Strong and long-lasting for daily use.
- ★Extended Protection – Long coat with neck cover protects torso, thighs, and neck.
- ★Comfortable Wear – Breathable cotton denim suitable for long shifts.
- ★Professional Design – Ideal for managers and supervisors in industrial sites.

Applications:

- ★Industrial and factory supervision
- ★Workshop and fabrication areas
- ★Construction site inspections
- ★Maintenance and engineering work
- ★Protection against dust, sparks, and light hazards
