

# STEIF CHRISTMAS EAR PLUGS WITH CORD – REUSABLE

## PRODUCT DATA SHEET

### Technical Specifications:

Model:	EC-2001-C
Type	Reusable Corded Earplugs
Material (Earplug)	Silicone
Cord Material	Nylon
SNR :	32 dB

### Description:

The STEIF Christmas Ear Plugs with Cord are reusable silicone earplugs designed to provide reliable hearing protection in high-noise environments. Made from high-quality, soft silicone material, they ensure durability and long-lasting comfort during extended wear. The attached nylon cord enhances convenience by preventing loss and allowing the earplugs to rest comfortably around the neck when not in use.

### Features:

- ★ High-quality soft silicone construction
- ★ Durable nylon cord for secure handling
- ★ Reusable and suitable for prolonged use
- ★ Effective noise reduction (SNR 32 dB)
- ★ Comfortable and secure fit
- ★ Ideal for industrial and general noise environments

### Applications:

- ★ Construction and engineering sites
- ★ Manufacturing facilities
- ★ Mechanical workshops
- ★ Maintenance operations
- ★ Automotive industry
- ★ General industrial noise protection
