

PARTICULATE RESPIRATOR ZYB-11A FFP1 NR

PRODUCT DATA SHEET

Technical Specifications:

Standard	EN 149:2001 + A1:2009
Protection Level	FFP1 NR
Material	Non-woven synthetic fiber
Nose Clip	Adjustable aluminum nose clip
Head Strap	Elastic, latex-free
Colour	White
Brand	Steif

Description:

The ZYB-11A FFP1 NR Disposable Respirator is designed to provide effective protection against non-toxic dust, mists, and aerosols. Lightweight and comfortable, it is ideal for use in construction, maintenance, and other industrial applications requiring low-level particle filtration.

Features:

- ★ FFP1 NR Protection – Filters $\geq 80\%$ of airborne particles up to $0.6 \mu\text{m}$
- ★ Non-Reusable – Designed for single-shift use
- ★ Comfort Fit – Adjustable nose clip and soft inner layer reduce irritation
- ★ Lightweight Design – Minimizes breathing resistance
- ★ Latex-Free – Suitable for sensitive skin

Applications:

- ★ Construction & Civil Engineering
- ★ Sanding, Cutting, Drilling (non-toxic materials)
- ★ Agriculture (pollen, dust)
- ★ General Dust Protection in light industrial environments
